**International Society of
the Learning Sciences**

**ΠΑΝΕΠΙΣΤΗΜΙΟ ΑΙΓΑΙΟΥ
UNIVERSITY OF THE AEGEAN**

8th International Conference on Computer Supported Collaborative Learning

The conference is co-organised by the International Society of the Learning Sciences (ISLS) and the University of the Aegean.

CSCL conference is a major international event, organised biennially by the ISLS, which gathers together people involved in all aspects of the field of technology-based collaborative learning, including research, education, training and technology.

The conference theme 'CSCL Practices' emphasises practices relating to technology based collaborative learning in three major areas: Learning in typical educational institutional structures, Learning in every day life, and Learning in workplace structures.

You can participate in a variety of sessions such as: paper sessions, interactive sessions, symposia, panels, workshops, seminars, tutorials, educational showcases, posters, demos and exhibitions.

You could also benefit from one of the following prestigious Awards: Senior Best Paper Award, Student Best Paper Award, Technology Design Award, CSCL Practices Showcase Award.

Important Submissions Deadlines:

November 1, 2008 and
December 20, 2008
